

eWiSACWIS Maintenance Contract for SFY 2007

The eWiSACWIS maintenance contract with CGI-AMS for SFY 2007 is the second year of a four-year contract period. The contract was awarded on a competitive basis based on a procurement conducted in SFY 2005.

The CGI-AMS contract responsibilities maintenance of the eWiSACWIS system code, development of enhancements to the system, and staffing the user help desk. The CGI-AMS staffing is for 17.5 FTE and includes the following:

- Half-time project manager - Amy Johnson
- Functional manager - Jennifer Moore
- Six designers
- Technical manager - Wesley Moore
- Eight developers
- Data base administrator

The help desk is staffed by CGI-AMS on a rotating basis with Evelina Bolotiuc as the lead.

The SFY 2007 contract is for \$3.346 million and is based on a blended rate of \$91/hour. The \$91/hour rate applies to change orders that are done in addition to the maintenance contract. For SFY 2007, DCFS has reserved \$500,000 for development of a child welfare datamart by change order. No other change orders are planned at this time.
